List of all countries capital and currency pdf

All country capital and currency pdf download. Countries capital and currency pdf. List of all countries and capitals pdf. List of countries and capitals with currency and language in pdf. Capital allowances gibraltar.

Country, capital, and currency are crucial for static GK in government exams. The General Awareness section requires no calculations or solutions, making it an easy way to score marks. However, this is only possible if candidates are well-prepared. This article provides a list of countries along with their capitals and currencies. It's essential for candidates to learn this as it can be beneficial for them. Additionally, sample questions on country, capital, and currency have been included below. For reference, the following links may help candidates score more in upcoming government exams: Countries, Their Capital, and Currency The table below lists countries along with their capitals, currencies, and continents. Country, Capital, and Currency S. No. Country Name Capital Currency Continent 1. Afghanistan Kabul Afghani Asia 2. Albania Tirane Lek Europe 3. Algeria Algiers Dinar Africa 4. Andorra Andorra la Vella Euro Europe 5. Angola Luanda New Kwanza Africa 6. Antigua and Barbuda Saint John's East Caribbean dollar North America 7. Argentina Buenos Aires Peso South America 8. Armenia Yerevan Dram Asia 9. Australia Canberra Australian dollar Oceania 10. Austria Vienna Euro Europe 11. Azerbaijan Baku Manat Asia 12. The Bahamas Nassau Bahamian dollar North America 13. Bahrain Manama Bahrain dinar Asia 14. Bangladesh Dhaka Taka Asia 15. Barbados Bridgetown Barbados dollar North America 16. Belarus Minsk Belorussian ruble Europe 17. Belgium Brussels Euro Europe 18. Belize Belmopan Belize dollar North America 19. Benin Porto-Nov The list of countries and their respective currencies is quite extensive. It appears to be a catalog of nations from various continents, including North America, South America, Europe, Africa, and Asia. Each country has its capital city listed alongside the official currency used within that nation. Some countries are mentioned multiple times due to different currency designations or unofficial usage. Notable examples include Ecuador, where both US dollars and the local currency (US dollar) are used; and El Salvador, which officially uses the Colón but also accepts US dollars. 1.
